Sometimes not certain of the content - understandable. But that made me doubt my understanding of the work.

Great seminar tutor - always goes through any questions in a clear way. always prepared.

Carlos has been an excellent seminar tutor! He offers such clear explanations and is able to answer all questions, even if they do not make complete sense. He is very well prepared for all classes and has been one of the key reasons I have been able to cope with this module.

Tutor often unable to answer questions posed

Excellent tutor. Skilled at breaking down tough topics, helping me understand the content better.
